

# **Visitation Policy During Flu Season**

**Due to widespread flu, we are taking the following precautions to protect our patients:**

- **Visitors with flu-like symptoms are not allowed**
- **No visitors under age 12 (except healthy siblings of newborns)**
- **Two adult visitors at a time per inpatient**
- **Patients with flu-like symptoms are allowed one visitor at a time**
- **Hospital staff may require visitors to wear masks**
- **Maternal Health Unit restricted to parents, siblings, and grandparents of the newborn.**
- **Certain High-Risk Inpatient areas may require visitor symptom screening.**
